

2011 RCA International Year-End Party

Dec. 10th (Sat.) 12:00~15:00
Ryokuen Club House (7-Chome)

The RCA International Exchange Committee has been planning and conducting international exchange activities for the Ryokuen-toshi residents and foreign students, researchers, and naturalized Japanese people from foreign birth who live in this area. Now we are planning to have the Year-End Party which has become an annual event for the community. After the self-introduction by each participant, we will enjoy a talk with the participants, quizzes, games and playing music over lunch and drinks. It will be a chance to make friends or visit Japanese families. This party is free of charge and we have some presents for the foreign participants. We look forward to meeting you at the Party!
